**DISCLOSURE NOTICE
OF REFORMATION OF WORK PRODUCT PROVIDED TO THE GENERAL PUBLIC**

- I. Where it has come to the attention of the Principal Officer that several members of the public have advertently sought to procure services and other work product that as a category could be deemed “legal advice”, and
- II. Where it is by no means the intent of his Firm to provide, or, in the alternative misrepresent our work product offered as “legal advice”, and
- III. Where it has come to the attention of the Principal Officer that the governments in severalty may seek to reclassify or enlarge the category of some kinds of research oriented work product as “investigation”, and
- IV. Where the Principal Officer holds as one exempt from the militia,

The Firm now notifies the public-at-large regarding the work product offered by this firm to be classified, as follows:

Work Product Provided	Description	Clientele
Research General	Acquisition of information generally available to the public from government, public, and private sources.	The general public Non-attorneys Attorneys Legislative counsels
Research Historical Reports	Acquisition of information by in-depth academic style research such as by intensive study via the Library of Congress and other publicly accessible reservoirs of knowledge.	The general public Non-attorneys Attorneys Legislative counsels
Research Legislative affairs	To include General Research, Research Reports, and attendance to legislative conferences, and, or hearings, and generation of derivative reports there-from as to what occurred.	The general public Non-attorneys Attorneys Legislative counsels
Analysis Factual Nuclei Development	Commencing with an interview process of the client, to include General Research, and review of documented information from the client, and yielding to an analysis of the information accumulated in that fashion to develop a document indicating the facts, as well as a valid opinion as to relevant facts. Such analysis, collection, and opinion in no way consider legal parameters or theories and are provided along with the disclaimer that such information should not be regarded as “legal advice”.	The general public Non-attorneys Attorneys Legislative counsels
Process Service/Skiptrace	The carrying out of compulsory service of documents notifying adverse and other parties of pending hearings and other proceedings, as well as investigative activities specific to fulfilling such tasks only. The Firm does not	The general public Non-attorneys Attorneys Legislative counsels

	make a determination as to what documents require this compulsory process.	
Review Case File	The reviewing of publicly accessible information to determine the status of a pending legal or administrative proceeding.	The general public Non-attorneys Attorneys
Analysis Of Case/Proceeding	Review of a pending proceeding and report of what is observed with respect to the direction of the proceeding relative to process only. (This is a mandatory step before the acceptance of any case for directive research, factual analysis, or investigation).	The general public Non-attorneys Attorneys
Analysis Strategy Options Review	A Case Analysis, and an assessment as to how to proceed with the collection of factual data necessary to support the theories that the leading party may desire to proffer.	The general public Non-attorneys Attorneys Legislative counsels
Field Inspections	Visiting a specified scene and reporting back on what was observed. (This is a passive inspection that does not including interaction with sentient entities on scene, and does not include measurements or detailed inspections of dimensions and phenomena that are not readily observable and in plain view.)	The general public Non-attorneys Attorneys Legislative counsels
Investigation Crime Scene	Visit of a specified scene and engaging actively in the taking of various measurements, searches for particular evidence and witness, and taking of measured evidence, and completing a detailed report thereto.	Attorneys Legislative counsels
Investigation Interviewing	Engaging one or more periods of interviews with available witnesses to obtain information vital to a pending proceeding.	Attorneys Legislative counsels
Investigation Collection of End User Information	Active polling or prospecting of end users of government services to determine efficacy of government policy.	Attorneys Legislative counsels

This information to be posted as a ‘white paper’ to the Firm’s research and investigation Web site, and work products offered amended to commensurate.

State and municipal pro-bono derived vouchers are not accepted at this time.

Please remit comments or concerns to us at the address or email indicated above.

Sincerely,

Radcliffe Bancroft Lewis, *Principal Officer*
